Got credits? If you're not sure whether you will **meet the requirements for graduation**, then see your counselor right away to go over your credits.

Going to college?

- Complete your **college admissions applications** if not done yet. Priority deadlines have passed for most colleges and regular deadlines are coming up.
- Send **transcripts**. You must submit a Leilehua High School Transcript Request Form to the Registrar's Office in order for the school to mail it or for your counselor to email it to the colleges and scholarships that require it. Transcript fee is \$2.00 Be mindful of deadlines. It takes up to 5 business days for the Registrar's Office to process requests. Rush fee is \$4.00
- Get **recommendation letters** Many college and scholarship applications require letters of recommendation. Be mindful of deadlines. Your teachers and counselor need at least 2 weeks to be able to write a good recommendation. Be sure to complete the request form for teacher or counselor letters of recommendation and meet with your recommenders in person to ask.
- Apply for **scholarships**. Use www.LeilehuaConnections.weebly.com or www.Naviance.com or go to the CCC to find out about scholarships. Remember that colleges offer scholarships too! Check if the colleges you applied to have separate admissions and financial aid applications with different deadlines. Don't miss out on scholarship opportunities because you miss applications and deadlines!
- Complete your **Free Application for Federal Student Aid (FAFSA)**. Every college applicant should complete the FAFSA because most colleges require this in order for you to be considered any scholarships. Submit them by the Financial Aid Priority Deadline for the colleges to which you are applying in order to be eligible for the financial aid they offer.
- Keep track of your applications on your **Naviance** account. Make sure you update your "Colleges I'm Applying To" list by marking when you submit the application and your result once you receive a response from the college.
- Notify the college you plan to attend of your intent to enroll by NATIONAL COLLEGE DECISION DAY on May 1st.
- Complete your steps to enroll in the college you plan to attend.
